

## Terry cat

Soft stuffed cat of terry cloth (pile cloth) of towel. It's washable.

Height (to the crest) 17 cm

### Patterns

**Print Pattern out on A4 paper.**

- First side body & tail.
- Second head & belly.

Cut out.

Materials

- Towel.
- Buttons for eyes.
- Polyester fiberfill.
- Thick thread (for nose, mouth and whiskers).

You may embroider eyes instead of buttons.

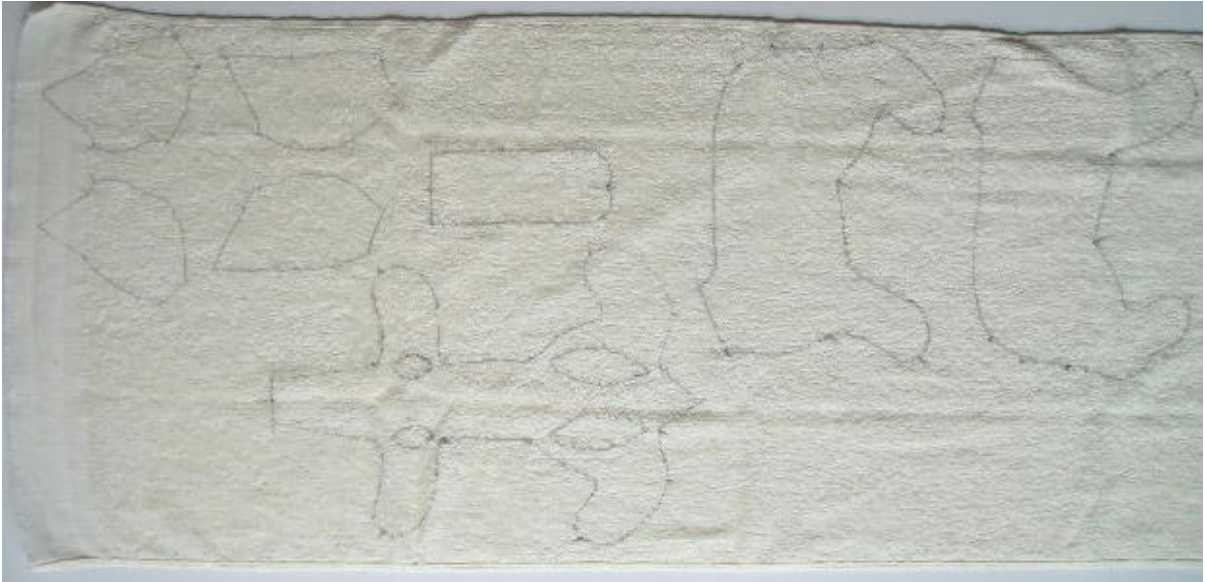

### Cutting

Unsew a side of a towel. The part without piles becomes the inside ears.

Draw the patterns on a towel.

Cut out them with seam allowance (5 - 8 millimeters).

#### Sewing

Sew the middle of the face (A-B). Sew the middle of the back (G-B).

Sew up the face line include ears (F-E-D-C-B-C-D-B-F).

Front ear is smaller a little than the back.

Sew the tail and turn inside out.

Sew the darts of groins.

Sew the belly to the side of the body (K-L-M-N-O-P).

Sew the back (S-R-Q-P), putting the tail between the hips (Q-R).

Turn inside out.

Sew the roots of the ears (C-E).

Stuff with polyester fiberfill softly.

You may stuff with plastic pellets in the paws.

Close the opening with a thick thread.

Face

Embroider the nose, mouth and whiskers with thick thread.

You may use any colors.

Stitch eye buttons.

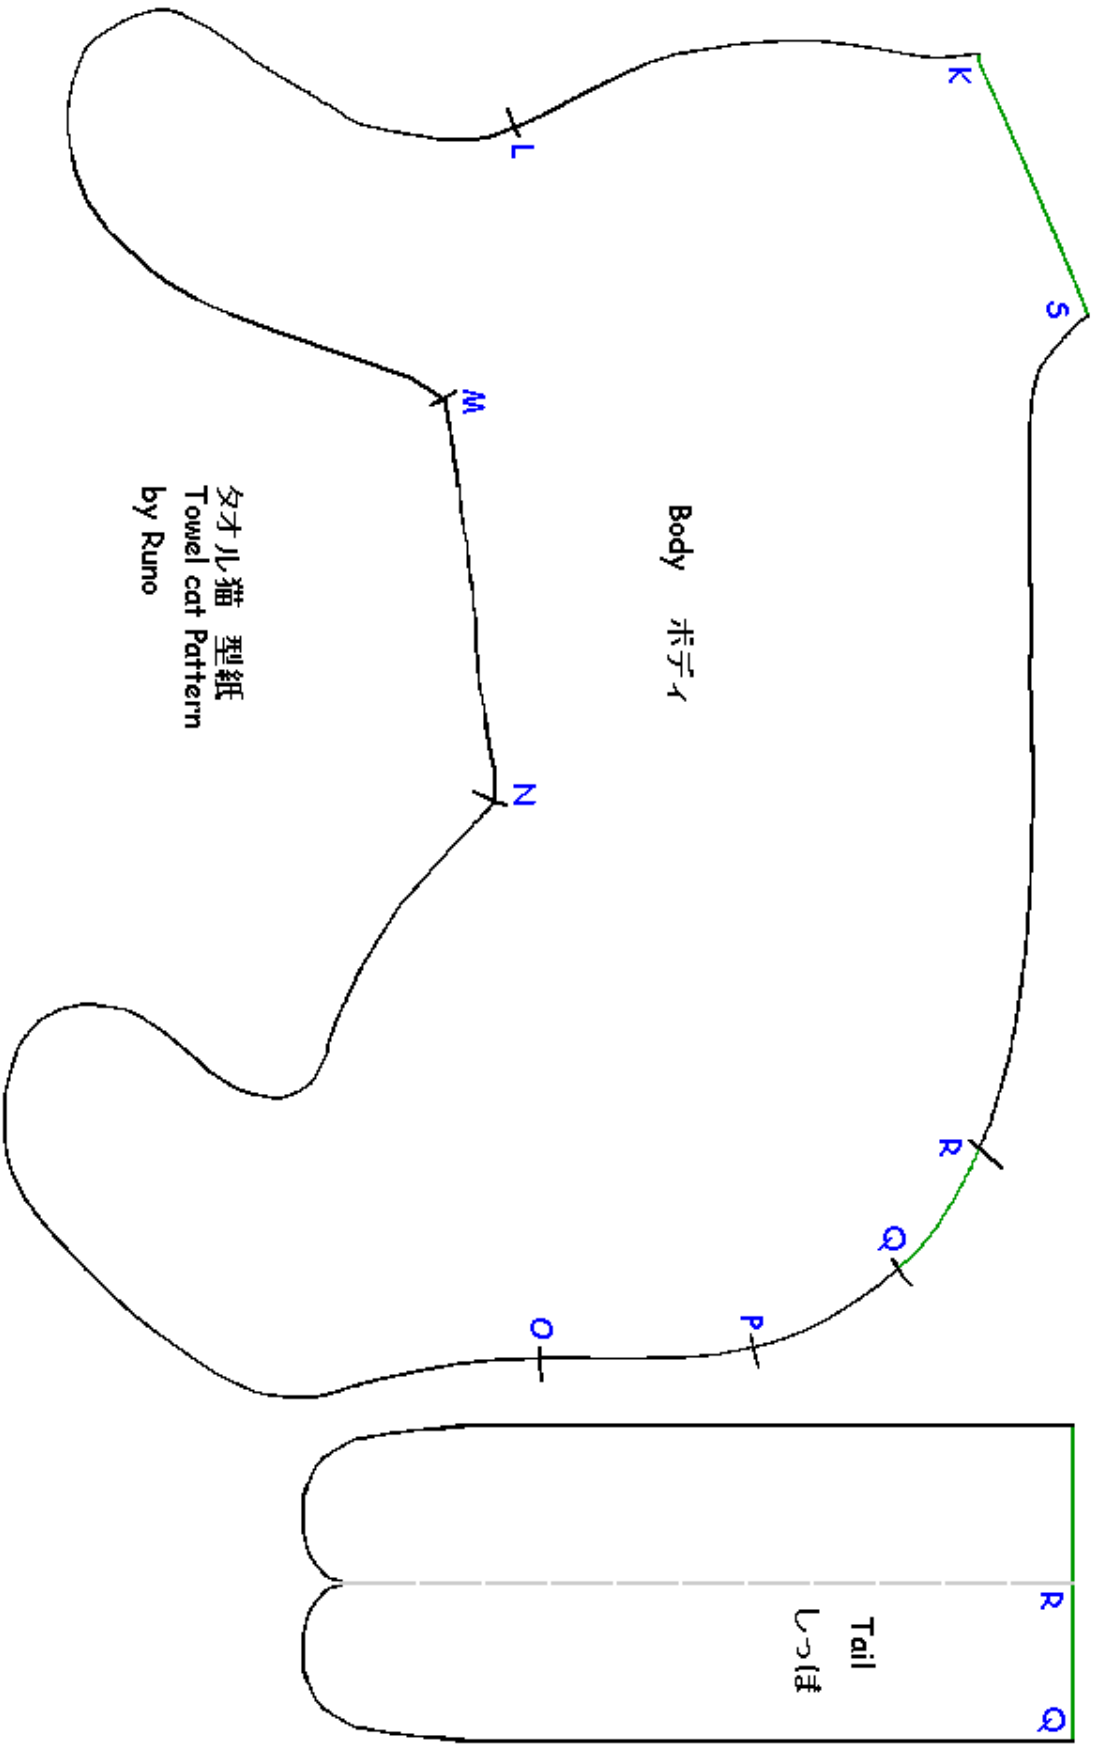

If you embroider the eyes too, sleeping eyes are easy.

FinishStitch the head to the neck.

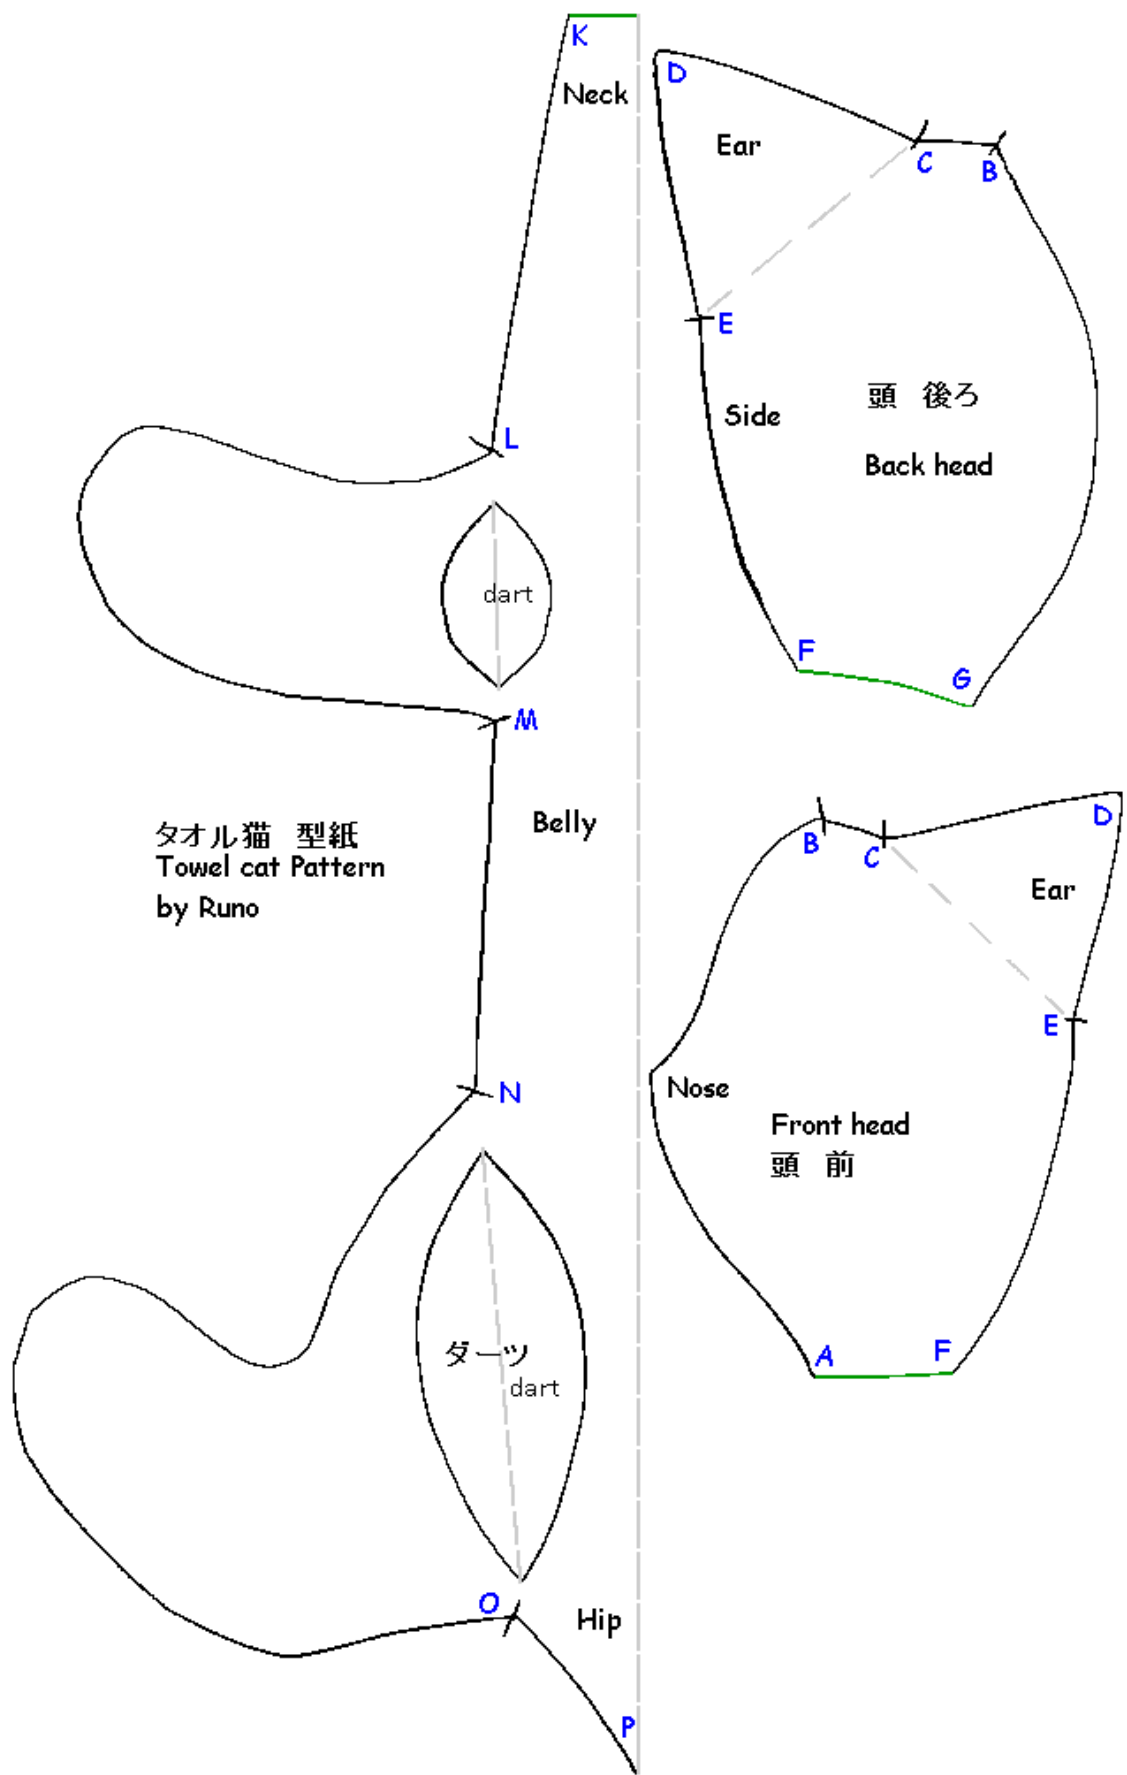

It's easy, isn't it?
